Help: returns and refunds

You can return your order up to 30 days after it arrives. In the first 14 days, you get a full refund. After that, you only get an exchange. If you need another size, we'll send a new one. Everything must be clean, with the price tag.

Fill in the form and put it in the parcel. You don't need a stamp because the delivery is free. When we get your parcel, we'll send you an email. We'll pay the refund to your card as soon as we check the clothes.

You don't need the receipt. Your order number is in your account. If something is faulty, call customer service before you return it. We will repair or replace it, or give you a refund.
