An email from Ani: my first week

Hi Lucy, thanks for your message. I'm the new designer at a software company in Yerevan. I usually start at nine and finish at six. Our manager, Mark, is calm and patient. My colleagues are friendly and sociable, and we have lunch in the canteen every day.

This week the team is working on a website for a hotel. The deadline is Friday, so we are all working late. At the moment I'm drawing the pictures for the hotel rooms. The desk near the window is Sara's, and the desk near the door is mine.

I like the job, but I feel a bit nervous. I don't understand all the words in the meetings. My colleagues are helping me, and I'm learning fast. Write soon! Ani
